Good Neighbor Policy

It is of the utmost importance that we maintain good relations with our neighbors. The Conditional Use Permit (CUP) under which we operate in a residential neighborhood regulates our hours and imposes various restrictions that are designed to protect our neighbors. We need to honor these restrictions, and beyond this, to recognize that it is part of FSHA’s mission to teach and foster the values of good citizenship. We need EVERY member of our community – parents, students, faculty and staff – to observe our good neighbor policy always, but especially at this critical time when we are seeking approval of our Master Plan. Sometimes we just need reminders of the issues that impact our neighbors. These are common issues and easy ways to demonstrate the character of our TOLOG community!

- Observe the speed limit and stop signs. The police department will be asked to regularly monitor school traffic.

- Slow down and do not tailgate drivers! This creates anxiety for drivers trying to be cautious or observe speed limits. If you are being tailgated, consider pulling over and letting the other driver pass.

- Accommodate neighbors trying to exit their driveway or enter the stream of traffic from a cross street by safely stopping and allowing them to enter.

- Use a route other than the “Pasadena route” (Highland to Inverness to Corona to St. Katherine) to travel to/from school to help distribute traffic more evenly among our neighbors. See alternative routes on back.

- Refrain from honking your horn or playing your car radio too loudly.

- Do not park on neighboring streets. Compliance will be monitored.

- Keep the neighborhood clean and free of litter.

- At all times treat our neighbors with courtesy and respect. Report any issues to the FSHA Transportation Coordinator at 626-685-8372.

Thank you for your support.

FSHA takes pride in being a good neighbor!
